## About Us- Background of the Group

---

The journey of Snehsanskriti Group began in the year 2014. With the establishment of Snehsanskriti, within short span of 8 years, we have become one of the few organizations in India which provide complete business services to our clients with varied range of matters.

Snehsanskriti being a well-structured team of progressive & specialized business professionals, the Group carries team with an experience of more than 20 years in advising many Indian business houses and multinationals operating in India on a wide range of matters including company formation, business re-organization, cross-border taxation advisory, taxation advisory, tax litigation support, FEMA advisory, GST consultancy, legal metrology, bureau of Indian standard, internal audit, custom related services, insolvency, and bankruptcy advisory and other regulatory policy matters, across a range of industry sectors.

Built on a strong commitment to clients' satisfaction and adding value to clients' business, the Group acts as a 'One Trusted Advisor' offering a complete range of services to our clients. The strength of the Group lies in its strong team of professionals which consist of Chartered Accountants, Company Secretaries, MBAs, Lawyers, Insolvency professionals, and Financial Management Consultants having in-depth experience in providing multi-disciplinary services.

The Group has a corporate office in Faridabad. Our office is equipped with the latest IT infrastructure to serve our clients in an efficient and timely manner.

## Why Us ?

---

Consistent value addition to our clients' business forms the basis of our approach. At Snehsanskriti Group, we spend significant time in analyzing the business operations, industry, functions, and goals of our clients to provide innovatively and out of box solutions to complex issues such as new business models, business restructuring, tax strategies, investment models, with a view to adding values to our clients' business and at the same time maintaining clients' confidentiality.

The main focus always remains on how we add some values to our clients' business. This focus also helps us to update ourselves with the changing dynamics of the business requirements and ever-evolving statutory regulations.

The Partners and Senior Professionals of the Group lead the delivery of all the service assignments to ensure that clients' expectations are met.

# Our Vision & Mission

Snehsanskriti Group is constantly guided by a vision of creating an India-based firm with world-class service standards. We are inspired by best practices in our profession and we never compromise on quality. For us all our clients are unique and their requirements are specialized. We turn each assignment into an opportunity and strive to exceed all the expectations of our clients.

With varied experience, we have evolved an approach to customize our services to meet the unique and individual requirements of our clients. We bring into play our diverse skill sets to strategize for the clients and guide them through the complex regulatory compliances. Our primary goal is to maximize available options for the clients and assist them in choosing the right action plan. Once a client approaches us with a query, we set in motion our large repertoire of in-house and networked experts who bring into play their deep analytical and professional skills to work out the most appropriate solution. After the completion of advisory stage, we help our clients in all aspects of implementation from the beginning till end.
